## Personal Design Option Ordering Information

Customize your Premier cabinetry with these Personal Design Options and other options listed in the Premier Collections section. Cabinets with Personal Design Options are produced in the same quick cycle as standard cabinets.

Add the Custom Option Add-on Price to the desired standard cabinet list price and specify the custom option when ordering. Due to the custom nature of these options, **cabinetry with options on this page (and throughout our price lists) cannot be returned. Option does not count as a piece for quantity discounts. Add-on Price for glaze does not apply to options.**

## Custom Width using 3" Extended Side Stile Option

We can accommodate your custom vanity, base cabinet, tall base cabinet, counter top cabinet, linen cabinet, dresser, open dresser and linen tower width order as follows: Order the cabinet with the 3" extended side stile(s) option listed below (which can be scribed and cut down to your exact size). Cabinets with personal design options are produced in the same quick cycle as our standard cabinets. The extended stile also includes an extension of the toeboard, skirt and top molding (if applicable). Order the exact custom width vanity top from the Tops Section of the catalog starting on page 271. The extended end will be finished plywood, but will not be stained, painted or glazed.

The consumer or the cabinet installer can scribe and cut the cabinet side stile(s) down to the needed custom width. The Extended Side Stile Option has a 3" extension of skirt and face frame with a vertical false drawer front overlay (shipped unattached) (A, G, K, L, V) and 3" extension of face frame and top molding, if applicable (E, F, H, M, N) except on 5-piece top drawer models.

Note: One door cabinets (like linen cabinets) placed with right end against a wall may require a door side hinge change. However, if not specified the cabinet will be hinged on the left which is standard.

A	Vanity or Base Cabinet - Extend width by 3" on left or right side of face frame (specify Left, Right or Both)	130 per side
	Tall Base or Counter Wall Cab-Extend width by 3" on left or right side of face frame (specify Left, Right or Both)	155 per side
	Linen Cabinet - Extend width by 3" on left or right side of face frame (specify Left, Right or Both)	210 per side
B	Dresser - Extend width by 3" on left or right side of face frame (specify Left, Right or Both)	130 per side
B	Linen Tower - Extend width by 3" on left or right side of face frame (specify Left, Right or Both)	155 per side

## Custom Width using 1/2" Extended Side Stile Option

This option will add 1/2" to the cabinet face frame, stile, toeboard and skirt or top molding where applicable for each end specified. This option should be chosen when a vanity or base cabinet is placed next to a wall in order to center the vanity top bowl. The extended end will be finished but will not be stained, painted or glazed.

A	Vanity or Base Cabinet - Extend by 1/2" on left or right side of face frame (Specify Left, Right or Both)	110 per side

The Ball & Claw and Queen Anne legs will have the front leg replaced with a back leg. The plywood on the end next to the wall will not be stained, painted or glazed.	90 per end
	Open Dresser to be placed next to wall/cabinet (Specify Left, Right or Both).	150 per end

## Skirt Next to Wall/Cabinet Option

	Vanity, Base, Linen Cabinet, Linen Tower or Base Tower (with skirt) to be placed next to a wall or cabinet (Specify Left or Right).	90 per end
--	---	------------

## Crown Molding Next to Wall(s)

D	Crown molding placed next to wall(s) - specify which end(s) are next to wall(s) One door cabinets (like linen cabinets) with right end placed against a wall may require a door side hinge change. However, if not specified the cabinet will be hinged on the left which is standard.	90 per end
---	---	------------

## Raised Panel End Option

For all raised panel end options the panel will be Ridgefield style when Ridgefield or Villa door style is chosen; will be Shaker when Shaker, Edgewood, Fairfax, Old Town or Zenith door styles are chosen and will be Prestige when any other door style is chosen. Not available for vanity models with drawer below doors or Kensington vanities. For Desk Ends you must specify what door style you need to match. Specify Left, Right or Both when ordering with a vanity, base model or desk end. Not available for 24" depth.
